Enrolment

Enrolling is free and voluntary. If you choose not to enrol you can still receive health care services from your chosen GP, general practice or primary health care services provider.

Advantages of enrolling are that your visits to the doctor will be cheaper and you will have direct access to a range of services linked to the PHO.

You can access your test results via our online patient portal or by calling the practice on (06) 843 2320. Please ask reception staff for patient portal instructions should you require these.

Appointments

Please ring **(06) 843 2320** for an appointment.

Every effort will be made to accommodate your preferred time, however, emergencies will always be given priority.

Our reception staff will attempt to contact you if there are any unforeseen delays or if your GP has been called away.

Longer consultation times are available.

Payments

Fees are payable at the time of consultation.

We accept cash, eftpos, cheque, visa, mastercard and online payments. Paywave is also now available.

Fees for enrolled and registered patients are subsidized by the Government for various age groups and services listed at the practice. Please ask our reception staff for more information.

Repeat Prescriptions

We are happy to issue repeat prescriptions for you.

However, we ask that you give us as much advance notice as possible.

Repeat prescriptions do incur a charge and are paid for at the time of pick up.

The doctor may need to see you prior to issuing for clinical and/or legal reasons - especially if you are not seeing your regular GP.

Patient Portal

Health365 is a secure online tool that lets patients manage their health in a modern and convenient manner. Registering is free and simple. Sign up at your next appointment or call us on **(06) 843 2320**. Our reception staff can guide you through the process, and verify your identity, with ease.
